below:-

Art 549. Non official members of the Legislative Council attending such meetings shall be given t. a at the following rates when they travel from the place of their ordinary residence to the place where the meetings are held:-

(a) If the member be a retired Dewan or councillor

(1) Railway fare:- Actual travelling charges not exceeding return fare for a single 1st class compartment and return third class for 2 personal servants.

(2) Mileage- 8 annas a mile for journey by road either in continuation of railway journey or otherwise.

These rates when prescribed have apparently been on the consideration that the members nominated or elected in the initial stages of the institution belonged to the class

fession of considerable standing and
reputation and as such exceed those

3. As the institution has grown
the rules regarding nomination & election
of non-official members have been mod-
ified from time to time, so much so
that membership is now open to
members of the Representative Assembly
and other public spirited men who in
the ordinary course of events would
be eligible for appointments in the
public service, as Munsiffs, Sub-judges
&c.

4. While the ~~base~~ question of t. a rates
of men has undergone examination
at the hands of the Retrenchment
Committee & their proposals for reduction
are engaging the attention of Govt, it
is a matter for consideration & order
whether the rates ^{allowed to} of the non official
members require any revision &
reduction and if so to what extent.

Legislative File 11-07-1. in which
t. a rates were originally fixed
may be put up ^{P.T.O.} 28.11.16.

6) legis 17-07-1 on the subject is put up.

11/12/16
The d.a. of 7-8-0 appears to be unnecessarily high. The file put up shows that the then Sec^y and F.L. Sec^y considered a sum of rupees five sufficient. While agreeing generally with the F.L. Sec^y it is not clear why the Member proposed 7½ Rupees. A 84 Com^r gets only 5 Rs and many of these Legislative Council Members are members of other committees etc. in which capacity they get travelling allowance at lower rates.

8) It is therefore submitted for consideration, if in the case of future legis non official members of the Legislative Council it may not be ruled that d.a. will be paid at Rs 5-

9) May be considered. Personally I do not think there is any strong reason for reduction. In British India Legislative Council members are given a d.a. of Rs 20 (Imp.) + Rs 10 (Prov.). - 12/12
